EDITOR'S NOTE

The 14th Graduation Ceremony of Laikipia University is a landmark accomplishment. It is a culmination of an illustrious journey of dedication, determination, sacrifice and transformative power of education. We are cognisant of the fact that every graduation is both a moment of arrival and a point of departure: a grand recognition of a well-deserved academic achievement and a chance to transform knowledge into purposeful action. It opens new horizons of imagination, opportunity, resourcefulness and service to humanity. As we take pride in acknowledging the achievements of our graduands, we also reflect on our University's commitment to the life-changing potential of higher education. Our graduation theme, "***From Intellectual Nurture to Transformative Impact for the World***", reaffirms the University's commitment to offering an education that surpasses the acquisition of qualifications by stimulating inventiveness, honing exemplary leadership and fostering practical societal transformation.

The Editorial Team is privileged to witness this momentous triumph of intellectual pursuit, and wishes all graduands a bright and rewarding future. This milestone stands as a testament to the combined efforts of our staff, parents and guardians, community, private sector and the government. We are persuaded that this shared voyage has instilled in our degree and diploma recipients a foundational value that will guide them throughout their lives. As our newest academic ambassadors step beyond the University gates, we exhort them to carry with them not only the knowledge and skills they have obtained, but also the aptitude to innovate and the wisdom to transform the lives of those around them. The Editorial Team joins the entire Laikipia University fraternity and stakeholders to extend its heartiest congratulations to the 2026 graduating class and wish each one of them every success in their future pursuits.

MESSAGE FROM THE CHANCELLOR

It gives me great pleasure and honour to welcome you to Laikipia University's 14th Graduation Ceremony, a day of celebration, gratitude and renewed commitment to the transformative power of education.

To our graduands, congratulations! You worked diligently, overcame challenges and stayed focused on your aspirations. Today is not merely the completion of a programme, but the start of a new chapter of responsibility, service, innovation and leadership. You indeed embody this year's theme "***From Intellectual Nurture to Transformative Impact for the World***".

You graduate as higher education changes quickly across the globe. Enrolment has grown from about 100 million students at the turn of the century to more than 260 million today, yet only about 9 percent of young people in sub-Saharan Africa are enrolled, the lowest of any region. In Kenya, university enrolment has reached about 670,000, with growing demand for skills-based courses, and universities are preparing to receive the first Competency-Based Curriculum learners from 2029. Laikipia University is uniquely positioned to harness the immense potential of the growing population of young people aspiring to pursue higher education.

We nurture graduates who are intellectually curious, socially responsible, technologically competent and ready to contribute to sustainable development. The University has introduced demand-driven programmes aligned to Competency-Based Education and Training, grown its enrolment, widened its footprint with students from across the globe, and built on its strengths in Sports Science and in the sustainable use of Arid and Semi-Arid Lands resources.

To parents, guardians, sponsors and families, thank you: your sacrifices and support made today possible. To our academic and administrative staff, I commend your commitment to shaping responsible citizens.

Graduands, move from intellectual nurture to transformative impact:

- Stay curious, and use artificial intelligence wisely and ethically.
- Bring your competencies to jobs, enterprise, climate action and sustainable development.
- Think globally, and let the world see Kenyan excellence.
- Serve with integrity.

Once again, congratulations, Class of 2026!

MESSAGE FROM THE CABINET SECRETARY, MINISTRY OF EDUCATION

Hon. Julius Migos Ogamba, EBS

It is with immense joy and pride that I join you for the 14th Graduation Ceremony of Laikipia University, where we confer degrees and award diplomas to 1725 graduands. They have shown resilience, discipline and excellence in their fields of study.

This year's theme, "***From Intellectual Nurture to Transformative Impact for the World***", captures the journey you complete today. My heartfelt congratulations go to every graduand. This is a momentous day for you and your families, and for the whole Laikipia University fraternity.

To the parents, guardians and sponsors who sacrificed and believed in your dreams, thank you and well done! I laud the University Council and Senate for their visionary leadership. I thank the Vice-Chancellor, the Management Board and the faculty for mentoring and shaping these young minds, and the support staff for keeping the institution running smoothly.

The Ministry remains firmly committed to the continued growth, reform and transformation of education in Kenya. Following the transition of the first Competency-Based Education (CBE) cohort to Grade 10, the Ministry has made significant progress in facilitating learner transition, releasing capitation funds ahead of the reopening of schools, and maintaining existing senior school fees to ensure affordability and equitable access. In addition, the Government has strengthened teacher capacity through the confirmation of junior school intern teachers into permanent and pensionable terms and the recruitment of additional teachers to address staffing gaps arising from the implementation of CBE.

These efforts create an enabling environment for Laikipia University to excel in advancing knowledge through teaching, innovation and research. The CBE learners who entered Grade 10 this year will reach our universities from 2029, and I exhort universities to strategically align themselves to the requirements of Competency-Based Education and Training.

As the first CBE cohort approaches university, my Ministry is working closely with the Commission for University Education to strengthen the policy and regulatory frameworks and build institutional capacity to support the transition. This collaboration aims to equip universities to transform their pedagogical and assessment systems and strengthen their capacity to nurture the competencies required to thrive in a rapidly changing world.

The Government remains committed to financing students' placement in higher education institutions to ensure equitable access to educational opportunities. In this regard, the Cabinet has approved the Tertiary Education and Placement Bill, which is currently undergoing consideration by Parliament, with the objective of achieving 100 percent funding for all students from the next financial year.

We are proud to support the University's positioning as a centre of excellence in Sports Science and in the sustainable use of Arid and Semi-Arid Lands resources, drawing on its high-altitude location and proximity to the LAPSSET corridor. Its growing enrolment and increased research output demonstrates a shared vision between the Ministry and the University in providing quality, relevant and globally competitive higher education. Today's graduation attests to fact that the University has nurtured your minds, and the nation and the world now need you to turn that learning into transformative impact.

To the class of 2026, as you step out into the world, remember that you carry not just certificates, but competencies, values and a national responsibility. Kenya needs your positive energy, innovation and patriotism. Let the intellectual nurture you received here become desirable change for the world.

Whether you join the public or private sector, start an enterprise or pursue further studies, endeavour to contribute to Vision 2030, the Bottom-Up Economic Transformation Agenda, climate resilience and digital transformation.

Strive to create jobs, not only seeking them. Employers and communities value competence, creativity, adaptability and problem-solving skills. Scale beyond rote-learned knowledge, leverage on artificial intelligence, automation and digital platforms.

Lead with integrity, professionalism and patriotism. Take up the expanding internship opportunities, the global job markets being opened by His Excellency President Dr. William Samoei Ruto, and the enterprise ecosystem Government is building. The Government, through the Ministry of Education, remains your partner in progress.

Once again, congratulations to the graduands, parents and guardians, University Council and Management, Senate, faculty and the entire Laikipia University fraternity. May God bless you all, bless Laikipia University, and bless the Republic of Kenya.

MESSAGE FROM THE PRINCIPAL SECRETARY, STATE DEPARTMENT FOR HIGHER EDUCATION AND RESEARCH

Dr. Beatrice Muganda Inyangala, PhD

It is a great honour to join Laikipia University on this 14th Graduation Ceremony. To the 1725 bright, accomplished graduands of the Class of 2026, I extend my heartfelt congratulations. You have earned this day through hard work, determination and resilience. This year's theme, "***From Intellectual Nurture to Transformative Impact for the World***", captures the journey you complete today. Your achievement belongs also to the parents, guardians and sponsors who walked with you in this journey. I thank and congratulate the University Council and Management, Senate, lecturers and support staff who guided you to achieve this great feat.

In recent years, our nation has made bold strides to strengthen universities as engines of innovation and global competitiveness. You are not only beneficiaries of this transformation, but agents of Kenya's future. In the 2026 learning cycle, Universities have made room for about 323,000 new learners against 268,000 eligible applicants, consequently enhancing access to higher education to every qualified candidate.

The government remains firmly committed to funding higher education. Universities must embrace innovative resource mobilisation strategies by leveraging their research, expertise and intellectual capital to diversify their revenue streams. This will reduce overreliance on Exchequer funding and promote greater institutional financial sustainability.

I challenge the University to keep strengthening industry-focused skills, to take its research to the market while partnering with relevant entities with a view to providing solutions first, to the communities around, and to the world.

Universities are shifting toward practical skills and problem-solving, and preparing for Competency-Based Curriculum graduates, who are expected to enter higher education from 2029. It is within the ambit of universities to cause positive transformation, and Laikipia University continues to respond to this call. The University has strengthened its academic programmes, research capacity and community engagement, with new demand-driven courses aligned to Competency-Based Education and Training. Its investment in quality assurance, staff development and innovation gives students an environment to learn, innovate,

explore and lead. We acknowledge the institutions' positioning to be a centre of excellence in Sports Science and in the sustainable use of Arid and Semi-Arid Lands resources.

Class of 2026, you graduate at an opportune moment. You are stepping into a world where your ideas translate into innovations, your knowledge drives industries, and your character transforms communities. Venture forth into that future with confidence and purpose, and with a firm resolve to make a difference. Tomorrow's Kenya needs graduates who think creatively, adapt quickly and offer solutions to the problems society faces.

Congratulations once again, Class of 2026. Let the intellectual nurture you received here become transformative impact for the world. May God bless you, bless Laikipia University, and bless Kenya.

MESSAGE FROM THE CHAIRMAN, LAIKIPIA UNIVERSITY COUNCIL

Dr. Lemein Korei, PhD

It is my distinct honour, on behalf of the Laikipia University Council, to congratulate the graduands of the Class of 2026 as we mark the University's 14th Graduation Ceremony. Today marks the achievement of a significant milestone, made possible through years of hard work, commitment and determination.

Above all, this celebration is about you, our graduands, whose achievements make this occasion truly special. Your journey to this moment has called for perseverance as a result of demanding coursework, tight deadlines and, for some, personal and financial challenges. You have surmounted all the challenges and eventually arrived at the finish line. You carry the hopes of your families, your communities and our nation. The education you have received at Laikipia University, grounded in our core values of Quality, Integrity, Innovativeness, Inclusivity and Sustainability, has prepared you to face the future with confidence and purpose.

The University continues to strengthen and expand strategic partnership with stakeholders in fulfillment of its mandate. In addition, it is intensifying its internationalisation agenda with a view to enhancing global visibility, attracting both local and international students. This positions the institution competitively in the global higher education landscape. I wish to commend the University for its remarkable progress in establishing new schools, expanding its academic programmes, growing students enrolment and attracting international students. The milestones reflect the University's commitment to institutional growth, academic diversification and provision of greater opportunities for access to higer education.

Our engagement with the community has remained strong through community outreach programmes, including peace missions to conflict-prone areas and training programmes for farming communities, and SMEs neighbouring the University.

I am proud to note that a substantive Deputy Vice-Chancellor for Academic, Research and Student Affairs, was appointed in June 2026. We also signed two Memoranda of Understanding to advance health sciences education, mental health awareness and student wellness. Council sincerely appreciates the Management Board, Senate, faculty and staff, whose collective effort has made these achievements possible, and the Government of Kenya, through the Ministry of Education, for its continued support. In the 2026/2027 financial year, Council will continue to emphasize prudent use of resources, quality service delivery, and robust systems that support teaching, learning, research and community service.

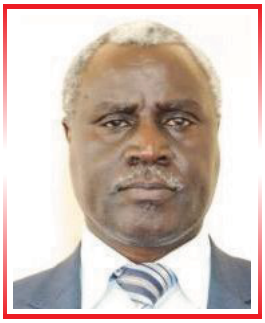
Looking ahead, the national transition to Competency-Based Education and

Training (CBET) presents both challenges and opportunities for the higher education sector. The University has taken deliberate steps to prepare its staff and align its academic programmes in readiness to receive the first CBE cohort. We believe these efforts will make the University more competitive and keep our graduates relevant in a fast-changing world.

To the parents, guardians, sponsors and friends who have stood by our graduands, thank you! Your sacrifices and encouragement have made this day possible. To our faculty and staff, thank you for guiding our students with utmost care and commitment.

Class of 2026, remain curious and keep learning, for education does not end today. Hold firm to the values you have acquired here, act with integrity, and use your knowledge in the service of others. You now join a growing community of Laikipia University alumni who are making their mark in Kenya and beyond.
Congratulations once again. Council is proud of each one of you, and we wish you every success in the years ahead.

Vision *: Nurture and Transform for the World*
Mission : *To Contribute to the World through Education, Research, Training, Consultancy, Innovation, Outreach and Collaboration*



MESSAGE FROM THE VICE CHANCELLOR

Prof. Kibett Rotich, PhD, MBS,CPM
Professor of Biostatistics and Informatics

It gives me great pleasure to welcome our distinguished guests, parents, guardians, staff, students and friends of Laikipia University to our 14th Graduation Ceremony.

This year's ceremony is held under the theme: ***From Intellectual Nurture to Transformative Impact for the World***

Today, we celebrate 1725 graduands of the Class of 2026 who have excelled in their studies and lived out our core values of Quality, Integrity, Innovativeness, Inclusivity and Sustainability. You leave Laikipia University not only with knowledge and skills, but as responsible citizens prepared to contribute to development in Kenya and beyond. Hongera, Class of 2026 - you now carry forward our vision: "***Nurture and Transform for the World***".

We are grateful to our Chief Guest for honouring our invitation. Your presence affirms the vital role of higher education in national development.

Milestones of 2026

The year 2026 brought steady growth and several notable achievements:

1. Academic Excellence and Expansion

i. Establishment and admission of students to the School of Agriculture which broadens our academic programmes and strengthens our contribution to agricultural education, research and national food security
ii. Growth in student enrolment from 10,570 in 2025 to 12,729 in 2026
iii. Recruited additional academic staff

2. Research, Innovation & Global Visibility

i. Increased the number of research publications
ii. Deepened research partnerships with the KCB Foundation, the World Agroforestry Centre (ICRAF) and the AgriOPEN Project consortium, which is developing a Nationwide AgriOPEN Campus for open and distance learning in agriculture and entrepreneurship.
iii. Signed strategic MoUs with the International Centre for Global Practice (IC Global) on establishment of the School of Health Sciences and Sports Medicine, and with the Goldenlife Victors Mental Health Hospital and Rehabilitation Centre, advancing health sciences education, mental health awareness and student wellness
iv. Hosting the CHAWAKAMA (Chama Cha Wanafunzi Wa Kiswahili Vyuo Vikuu Vya Afrika Mashariki) conference

3. Environmental Stewardship & National Goals

Planted 31,900 trees under the National Tree Growing Initiative, up from 26,840 in 2025

4. Community Engagement and Social Impact

i. Undertook a range of community outreach programmes
ii. Conducted a Peace Mission to Suguta Marmar, Samburu County, championing peace, national cohesion, inclusivity, gender equality and responsible citizenship through mentorship and tree planting in local schools
iii. Trained Small and Medium Enterprises (SMEs) in Laikipia County
iv. Hosted the 2026 International Day of Women and Girls in Science

5. Governance and Institutional Leadership

i. Designated to mentor Samburu University College, towards its establishment
ii. Appointed a substantive Deputy Vice-Chancellor (Academic, Research and Student Affairs) in June 2026
iii. The University today unveils its anthem alongside the Alumni Pledge of Allegiance embodying our vision, mission, values and aspirations.

6. Student Welfare and Holistic Development

i. Supported 271 needy students - 155 through the work-study programme and 116 through bursary awards
ii. Students distinguished themselves through compelling theatrical performances in which they won accolades
iii. Students demonstrated outstanding prowess in sporting activities. The Volleyball Ladies and Hockey Men teams emerged as unbeaten champions at the Kenya Universities Sports Federation (KUSF) - Rift Regional Games. The Karate team finished as second runners-up, with Grenic Omondi winning a gold medal in Individual Kata. Additionally, the Scrabble and Chess Ladies teams qualified for the KUSF National Games scheduled for March 2027.

We sincerely thank the Ministry of Education, the University Council, Management, Senate, staff, students, alumni, partners and all our stakeholders for their support throughout the year. In spite of funding constraints, especially for infrastructure, we are confident that together we shall achieve even more.

To the Class of 2026, as you leave these gates, carry with you the Laikipia University spirit of resilience, integrity and excellence. The world is ready for the difference you will make. ***Kongole*** to our graduands, their families and the entire Laikipia University fraternity!

DIVISION OF ACADEMIC, RESEARCH AND STUDENT AFFAIRS

Prof. Guyo S. Huka, PhD
Deputy Vice Chancellor

It gives me profound joy to join you in celebrating this significant milestone for Laikipia University - the culmination of years of dedication, perseverance and intellectual growth.

I want to applaud the graduands for making it to the 2026 graduation list. Today we celebrate your achievements, resilience and boundless potential as you prepare to step into the next chapter of your life. You joined Laikipia University as seekers of knowledge, full of ambition and hope. Your long study hours and the immense sacrifices you made to earn your degrees and diplomas cannot go unnoticed. The path was not always smooth; you faced challenges that tested your resolve, both academically and individually. Yet here you stand today - victorious, ready to take your place in the world as leaders, innovators and change-makers. This is an outstanding achievement, and it marks only the beginning of many more triumphs to come.

The Division of Academic, Research and Student Affairs prides itself in this significant accomplishment. Your graduation is indeed the Division's most valued feat. We send you forth into the world with confidence that you have the necessary tools to build successful careers and make meaningful contributions to society.
Your journey has been shaped not only by your hard work and determination, but also by the sacrifices of your families, the encouragement of your friends and the unwavering support of the faculty, staff and the entire University community - I commend you all.

Venture out, carve your legacy and make an unforgettable impact.
Congratulations, Class of 2026!

About the Academic Division

1. To strengthen quality compliance, the Division continues to make significant progress in implementing recommendations arising from various quality audits of the regulatory agencies.
2. The University conducted its inaugural Academic Open Week in 2026. The initiative aimed at improving student engagement, academic support and access to essential academic services.
3. To ensure readiness for Competency-Based Education (CBE), the University continues to align its programmes with the Competency-Based Education pathways and framework. The Division has undertaken a comprehensive

retooling exercise for all the academic staff on teaching/learning and assessment framework.

4. To broaden the students employability and give a competitive edge in the labour market, the Division provides opportunities for students to undertake various professional courses, including CISCO, KASNEB, Data analysis, IoT among others.
5. To incentivize academic staff and researchers, the Division continues to promote greater participation in research activities through the progressive enhancement of budgetary allocations to support research initiatives. This includes providing competitive internal research grants, as well as funding opportunities for participation in conferences and seminars, with the aim of strengthening the University's overall research capacity.
6. The Academic Wing is facilitating access to international research databases to enhance faculty members' access to global research opportunities, funding calls and emerging research trends. These initiatives are intended to strengthen research engagement, promote collaboration and enhance the University's visibility and contribution to global knowledge generation.
7. The Division has made significant progress in strengthening teaching and learning infrastructure and enhancing the quality of teaching through the equipping and modernization of various teaching laboratories.
8. Improvement of Student Welfare has been prioritized through enhanced Student Financial Assistance and Work-study programme to alleviate financial barriers, enhance student retention, improve academic progression, and support timely completion of studies.

Once again, Heko na Kila la Heri!

DIVISION OF ADMINISTRATION, FINANCE AND PLANNING

Prof. Patience M. Mshenga, PhD
Deputy Vice Chancellor

It is with great joy that I join the University community in celebrating the 14th Graduation Ceremony of Laikipia University. On behalf of the Division of Administration, Finance and Planning, I warmly congratulate the Class of 2026. Your achievement is the result of years of hard work, discipline and perseverance, and the entire Division shares in your pride on this special day.

The Division remains committed to providing a secure, comfortable and supportive environment in which our students can learn, our staff can work and our University can thrive. During the year, we made deliberate investments in infrastructure and services to enhance the experience of everyone who studies, works and visits Laikipia University.

Security remains a top priority for the University. We are in the process of installing flood lights within the institution to enhance security and ease movement at night, giving students and staff greater peace of mind as they go about their activities.

We have also invested in comfortable spaces for learning, study and recreation. We renovated existing reading shades and increased their numbers, creating more seating and reading space for our students. To improve comfort in the classroom, we purchased new lecture hall chairs for students. In addition, Mandela Hall is currently being refurbished with the fixing of theatre seats, to provide comfortable seating and meeting space for academic, official and social functions.

A clean and conducive cenvironment is essential to learning and holistic wellbeing. Throughout the year, we endeavoured to maintain a clean and healthy University environment for students, staff and visitors alike.

In support of teaching, learning and research, we increased the University's internet bandwidth from 500 Mbps to 1,000 Mbps. This upgrade has improved communication and made online learning, research and access to digital resources faster and more reliable. The University's acquisition of a new luxury bus, not only addresses transport needs for students and staff undertaking official assignments, but also presents a strategic opportunity of serving as a brand ambassador for the University. The road from the University to Tableland area has been upgraded, improving access for the University community.

These improvements reflect our resolve to ensure that the University's growth is matched by facilities and services that support quality teaching, learning and research. We are grateful to the University Council, Management, staff and partners

whose support has made this possible.
To our graduates, as you step into the world, carry with you the values that define Laikipia University - quality, integrity, innovativeness, inclusivity and sustainability. Let these principles guide your choices and inspire your ambitions, wherever life takes you.

To the parents, guardians, sponsors and friends of the University; thank you for your support and encouragement, which have been vital to the success we celebrate today.

Class of 2026: go forth with confidence, continue to learn and innovate, and serve with distinction. Congratulations once again!
Best regards!

OFFICE OF THE REGISTRAR ACADEMIC AFFAIRS

Prof. Robert B. Mwebi, PhD, CPM
Registrar

On behalf of the Office of the Registrar (Academic Affairs), I extend my heartfelt congratulations to the Class of 2026 for attaining this remarkable milestone. Your graduation today affirms that with focus, discipline, resilience and determination; hard work truly yields success.

I trust that the academic engagements, scholarly discourses and interactions with faculty and fellow students throughout your academic journey have significantly broadened your intellectual horizons and transformed your worldview. I am pursuaded that these experiences have equipped you with the knowledge, skills and competencies necessary to navigate the complexities of an increasingly dynamic world.

As your Registrar in charge of Academics, it has been a privilege to oversee and support your transformative journey from the moment you joined this University. Your academic journey may not have been without challenges, but your resilience, commitment and determination have enabled you to overcome the obstacles and realise the achievement we are celebrating today. My sincere accolades to each one of you for making it this far!

Nelson Mandela once observed that, "***After climbing a great hill, one only finds that there are many more hills to climb.***" Your graduation today, therefore, marks not the end of your academic and professional journey, but the beginning of another phase of discovery, growth and responsibility. As you transition into the world of work and pursue your aspirations, I encourage you to embrace lifelong learning as an essential ingredient for professional growth and continued relevance in an ever-evolving global environment. Remain connected to your Alma Mater and nurture the professional and social networks you have established by joining the Laikipia University Alumni Association. Above all, be exemplary ambassadors of this great institution and continue to uphold the values, integrity and excellence that define Laikipia University.

As an institution, we remain steadfast in our commitment to strengthening academic service delivery, enhancing the quality of teaching and learning, and providing an enabling environment for effective student engagement and academic success. The Office of the Registrar (Academic Affairs) continues to implement academic policies, procedures and guidelines in compliance with established legal and regulatory frameworks while continuously seeking innovative approaches to improve the student experience.

The University held its inaugural Academic Open Week to strengthen student support and address academic concerns. The initiative provided a direct platform for students to engage faculty and relevant academic offices for guidance and timely resolution of academic challenges. This initiative reflects the University's commitment to student-centred service delivery, effective academic advising and responsive support systems. Recognising that academic success requires more than classroom instruction and examinations, the University will continue to strengthen such initiatives to enhance student experiences, promote academic progression and improve completion rates.

Our office continues to embrace an open-door policy, and values constructive engagement with students, faculty, parents, employers and other stakeholders. We recognise that continuous stakeholder feedback is indispensable to institutional effectiveness and the improvement of academic and administrative service delivery. I therefore encourage our students and other stakeholders to continue providing feedback and engaging with the University.

I extend my profound appreciation to the parents, guardians and sponsors whose unwavering support has made today's celebration possible. Your sacrifices, encouragement and investment in the education of these graduands are deeply appreciated. I particularly acknowledge the Rattansi Foundation, the University Council and the Laikipia University Alumni Association for their continued support to needy and deserving students through bursaries and scholarships. These interventions have played a significant role in enabling students from financially disadvantaged backgrounds to pursue and complete their studies. I call upon stakeholders, development partners and well-wishers to collaborate with the University in supporting deserving students and ensuring that financial constraints do not become a barrier to accessing and completing university education.

Finally, I am confident that your academic experience at Laikipia University has equipped you with the requisite knowledge, skills, attitudes and competencies to address contemporary societal and industry challenges. As you leave the University and venture into the world beyond, remember that the true measure of your education will not only be the qualifications you have attained but also the difference you make in the lives of others. Let integrity guide your decisions, innovation shape your solutions, and a commitment to excellence define your professional conduct. Wherever your paths may lead, remain steadfast in your pursuit of knowledge, personal growth and meaningful contribution to society.
Once again, congratulations to the Class of 2026. We are proud of your accomplishments and are confident that you will go forth as responsible, innovative and transformative graduates. May you find fulfilment in your chosen careers and make Laikipia University proud in all your future endeavours.
Congratulations and best wishes!

OFFICE OF THE REGISTRAR
ADMINISTRATION AND HUMAN CAPITAL

Dr. Hezron Nyamwega, PhD, OGW, CPM
Registrar

It is my profound privilege to join you today as we celebrate a monumental milestone - the 14th Graduation Ceremony of Laikipia University. Today represents the culmination of years of hard work, sleepless nights, and unwavering dedication. To our graduands, I offer my warmest and most heartfelt congratulations. You have made it!

As the Registrar in charge of Administration and Human Capital, my office serves as the institutional engine room that provides centralized support services. We endeavour to maintain a highly conducive, efficient, and harmonious environment for both learning and working that has seen your transition from eager, curious freshmen into the refined, knowledgeable, and resilient professionals. Your academic journey has not just been about passing exams; it has been a momentous period of personal and professional transformation.

As you step out of this great institution, remember that you are now our primary ambassadors. The world is waiting for your skills, leadership, and integrity. In whatever sector you find yourself - whether in corporate leadership, public service, entrepreneurship, or research - carry the Laikipia spirit alive within you. Be the innovators, the problem solvers, and the ethical leaders that our society desperately needs.

I must also take a moment to express our deepest gratitude to the parents, guardians, sponsors, and faculty members. Your emotional, financial, spiritual and academic support has been the groundswell of support upon which these great achievers have blossomed and reached the pedestal. This victory belongs to you as well.

To the Graduands of the Class of 2026, congratulations! You entered these gates as seekers of knowledge, and you leave today transformed into professionals, innovators, and leaders. As you exit this ecosystem, remember that the corporate and social worlds require more than just academic accolades; they demand high integrity, a strong work ethic, adaptability, and emotional intelligence. The discipline and character you developed here will be your greatest assets in the marketplace all over the world.

Go out there, be great ambassadors of Laikipia University, and make a tangible impact globally.

Congratulations once again, and may success follow you in all your future pursuits.

Thank you! God bless you all.

THE FINANCE DEPARTMENT

CPA Geofrey K. Langat
Chief Finance Officer

On behalf of the Finance Office, I extend my heartfelt congratulations to all graduands for their hard work, commitment, perseverance and dedication that has brought them to this important milestone in their academic and professional journeys.

To our graduands, your graduation marks the beginning of a new chapter filled with opportunities and responsibilities. As you step into the world, I encourage you to apply the knowledge and skills acquired with honesty, creativity, professionalism and a strong sense of responsibility. Be innovative, embrace lifelong learning and use your expertise to make a positive difference in your communities, the nation and the world.

As the Finance officer, I am alive to the fact that every academic achievement is buttressed by prudent mobilisation and stewardship of resources. Your education journey has been made possible by your commitment to invest in your learning. I acknowledge the unswerving support and dedication offered by parents, guardians and other partners to see to the success of your training. I tender that their investment has today borne fruits. You are the veritable dividends of our collective dedication to scholarship for the transformation of the world. As you start the next chapter of your lives, I exhort you to embrace financial discipline and integrity in your entrepreneurial ventures. Always remember that success is not gauged solely by one's wealth but also by the desirable impact that one makes in the lives of others.

Congratulations, and may you go forth to transform the world!

DEPARTMENT OF STUDENT AFFAIRS

Rev. Fr. Dr. Peterson Kabugi, PhD, CPM
Dean of Students

Today is a special day when we celebrate the academic achievements, personal growth, resilience and determination of our graduands.

To our graduands, congratulations on reaching this important milestone! Your journey through university life has been characterised by learning, discovery, challenges, opportunities, friendships and personal transformation. Today, your hard work and commitment have culminated in the qualifications you proudly receive.

I am particularly delighted because I have had the privilege of witnessing another important dimension of your university experience beyond academic achievement: your growth as individuals, leaders, innovators, responsible citizens and members of a diverse university community.

Graduation is a triumphant finish line but no one crosses it alone. Today we celebrate not only your hard work but the profound support of the families, friends and faculty who stood by you. As you step out to carve your legacy, carry the spirit of Laikipia University with you and continue to lift others just as you have been lifted.

Class of 2026, you have proven your capacity for greatness. Go out into the world, stand firm in your values and make an unforgettable impact. We are immensely honoured to call you our ambassadors.

Pongezi na Hongera tele mahafala wa 2026!

THE LAIKIPIA UNIVERITY ALUMNI ASSOCIATION

Mr. Jesse Mwangi Ndegwa
Chairman

It is with great honour and privilege that I address you as the Chairman of the Laikipia University Alumni Association and, more importantly, as a proud alumnus of this great institution. On behalf of the Association, I extend my heartfelt congratulations to the graduating Class of 2026. Your graduation marks the culmination of years of dedication, perseverance and sacrifice. As you embark on the next chapter of your lives, I warmly welcome you into the Laikipia University alumni fraternity, a community united by shared experiences, enduring connections and a common commitment to excellence.

To our parents, guardians and sponsors, I express our sincere appreciation for your unwavering support, financial sacrifices, encouragement and prayers throughout the academic journey. Your contribution has been instrumental in making this achievement possible. I also acknowledge the University Management, academic and administrative staff, fellow students and other stakeholders whose collective efforts have contributed to the success of our graduands.

As the Alumni Association, we remain committed to recognising and rewarding academic excellence. In this regard, the Association will award, in keeping with our tradition, the top-performing male and female graduands of the Class of 2026.

Since its establishment in 2013, the Association has continued to grow its membership and strengthen engagement among graduates from different cohorts. We encourage the graduating class to remain actively connected to the Association, build professional networks, embrace mentorship opportunities and participate in initiatives that promote personal development and institutional growth. Our alumni network provides an important platform for collaboration, knowledge sharing, professional advancement and giving back to our alma mater.

The Association has also continued to strengthen strategic partnerships aimed at supporting the University's development agenda. In collaboration with the International Centre for Global Practices, we are supporting efforts towards the establishment of a School of Health Sciences and Sports Medicine. This initiative is expected to enhance the University's international visibility and advance the internationalisation of its academic programmes.

Recognising the growing importance of mental health and its implications for student wellbeing and academic progression, the Association has partnered with Goldenlife Victors Mental Hospital, a licensed mental health institution, to strengthen access to counselling, psychosocial support and mental health education. During the year, the partners jointly conducted mental health awareness sessions as part of the first-years' student orientation programme. Plans are also underway to establish a youth-friendly centre within the University to provide preventive and curative support for mental health and related social challenges. Additionally, the Association will support student welfare and holistic development through the donation of sports equipment.

In promoting equitable access to education, the Association has allocated Ksh. 250,000 towards supporting needy students through the Laikipia University Alumni Scholarship Fund, established in 2022. We remain guided by the conviction that financial challenges should not prevent deserving students from pursuing higher education. The Association will also intensify resource mobilisation and fundraising initiatives to expand its reach and impact.

I wish to express my sincere gratitude to the University Management Board, under the leadership of the Vice-Chancellor, Prof. Kibett Rotich, for the continued support and collaboration extended to the Alumni Association. I also appreciate all members of the Association for their dedication and commitment to advancing our shared values.

To the Class of 2026, congratulations once again! As you transition into the world beyond university, remember that you remain ambassadors of Laikipia University. Uphold the values and standards of excellence instilled in you. Pursue your aspirations with confidence and use your knowledge and skills to make a meaningful contribution to society.

All the best, and success in your future pursuits!

LAIKIPIA UNIVERSITY STUDENT ASSOCIATION (LUSA)

Mr. Alex Nyakundi Ongeri
Chairman

Graduation is more than a ceremony. It is the moment when years of lectures, assignments, examinations and sacrifice are recognised and celebrated. It marks the end of one journey and the beginning of another, and it reminds us, the continuing students, that dreams pursued with commitment can be achieved. It also brings the university family together, graduands, parents, lecturers and staff, to celebrate success as one.

To the graduands, congratulations! You have earned this remarkable milestone through perseverance, dedication and sheer hard work. The journey was not without its challenges: the late nights, demanding course work, rigorous examinations and moments when giving up may have seemed the easier option. Yet, you persevered, pressed on and remained steadfast in your pursuit of success. Today, your efforts have brought you to this defining moment as you take your rightful place among the graduates of this great institution. We are immensely proud of you, and we celebrate not only what you have achieved today, but also the promise of what you are yet to accomplish.

We commend Laikipia University for offering the best teaching programmes, and for handling student affairs with care, fairness and responsibility. This university is renowned across Kenya for producing highly competent, exemplary and and disciplined teachers, who inspire learners in many schools around the country. That reputation is the result of quality teaching, strong values and a nurturing environment that we are proud to be part of.

On behalf of the students, we sincerely thank Laikipia University for upholding academic standards and ensuring that our academic processes and records run smoothly. To our lecturers, a big thankyou for your patience and mentorship. To the support staff, your service often goes unseen, yet it keeps this university running – please accept our gratitude. And to the parents, guardians and stakeholders; thank you for your sacrifice, prayers and investment. This day belongs to you as well!

Graduands, as you make your departure, be creative, innovative and competent. Use what you have learned to solve problems, build communities and shape a better Kenya and a better world. Carry the name of Laikipia University with integrity and pride, and remember that you will always be part of this family.

Thank you! ***Kila la heri katika maisha ya usoni!***

VALEDICTORY SPEECH

Gathuku Janet Wairimu, B.Ed (Arts)
Best Overall Student, Class of 2026

It is with profound humility, immense joy and great honour that I address you today as the Valedictorian of the graduating Class of 2026 during Laikipia University's 14th Graduation Ceremony.

It is a great privilege to represent my fellow graduands on this momentous occasion and to share in the celebration of our collective achievements, sacrifices and perseverance throughout our academic journey.

On behalf of my fellow graduands, I wish to express my sincere gratitude to the University for giving us an opportunity to learn in a conducive environment heralding our memorable occasion today. I also wish to thank our parents and guardians for their enormous support throughout our academic journey. To our esteemed lecturers and support staff, we owe a debt of gratitude for your invaluable support and guidance. Finally, to my fellow comrades, massive thanks for all the memories we have created together, the support we have given one another and the conviviality we have shared.

Today is a special day. It is a day when dreams become achievements, hard work receives recognition and the long journey of academic pursuit reaches a significant milestone.

To my fellow graduands, congratulations!

We made it!

LAIKIPIA UNIVERSITY ANTHEM

Stanza 1

O source of wisdom and of light,
Bless Laikipia, our delight.
Seeds of knowledge nurtured with care,
Grow through resolve and faith in prayer.

Refrain

Laikipia University, arise!
Let truth and excellence reach the skies.
With our hearts united, strong and free,
We serve the world with grace.

Stanza 2

Time and chance are gifts to all,
With courage strong, we stand tall.
Shines our knowledge a guiding ray,
To delight the paths we tread each day.

Stanza 3

Let dreams and aspirations soar,
Let wisdom guide us evermore.
In excellence, our strength we find,
With purpose firm and noble mind.

NATIONAL ANTHEM

English Lyrics	Swahili Lyrics
O God of all creation	Ee Mungu, Nguvu yetu
Bless this our land and nation	Ilete baraka kwetu
Justice be our shield and defender	Haki iwe ngao na mlinzi
May we dwell in unity	Natukae na undugu
Peace and liberty Plenty be found within our borders	Amani na uhuru
	Raha tupate na ustawi
Let one and all arise	Amkeni ndugu zetu
With hearts both strong and true	Tufanye sote bidii
Service be our earnest endeavour	Nasi tujitoe kwa nguvu
And our homeland of Kenya	Nchi yetu ya Kenya
Heritage and Splendour	Tunayoipenda
Firm may we stand to defend	Tuwe tayari kuilinda
Let all with one accord	Natujenge taifa letu
In common bond united	Ee ndio wajibu wetu
Build this our nation together	Kenya istahili heshima
And the glory of Kenya	Tuungane mikono
The fruit of our labour	Pamoja kazini
Fill every heart with thanks thanksgiving	Kila siku tuwe na shurani

EAST AFRICA COMMUNITY ANTHEM

Chorus

Jumuiya Yetu sote tuilinde

Tuwajibike tuimarike

Umoja wetu ni nguzo yetu

Idumu Jumuiya yetu

First Stanza

Ee Mungu twaomba ulinde

Jumuiya Afrika Mashariki

Tuwezeshe kuishi kwa amani

Tutimize na malengo yetu

Second Stanza

Uzalendo pia mshikamano

Viwe msingi wa Umoja wetu

Natulinde Uhuru na Amani

Mila zetu na desturi zetu

Third Stanza

Viwandani na hata mashambani

Tufanye kazi sote kwa makini

Tujitoe kwa hali na mali

Tuijenge Jumuiya bora
