RE : REMINDER: CLEARANCE OF PENDING COURSES/UNITS

This is to bring to the attention of all students the contents of a circular Ref: LU/ACA/R(AA)/CIRCS/071/VOL.II/121 dated 6th October, 2023 on clearance of pending courses as below:-

Reference is made to clause 12.6.3 of the Laikipia University students' handbook which inter alia states:

No student shall be permitted to proceed to the next year of study without having satisfied all the examination requirements.

The Senate in its 177th (c) special sitting held on 6th October, 2023 deliberated on the clause in view of the request made by the LUSA leadership and noted that:

- a. There are students who have failed courses in previous years and consequently have been progressing without clearing those units.
- b. There are students with incomplete courses and have been progressing with the incomplete units in-tow

Having deliberated on the issues above, the Senate has considered granting moratorium of one academic year (2023/2024) to enable all students with pending issues to clear them as **NO student** will be allowed to proceed to the next level with uncleared units from **September 2024**.

Kindly comply.
