Brief Auto-biography

From 2001 to 2006, Fredrick worked in the farm department as a casual labourer. In 2007, he was deployed to maintenance department which is the current estates department. In 2008, he was again deployed to the Finance department where he worked for ten years and later got redeployment from 2017 to the office of the Registrar Academic Affairs where he still works to date. He has gained a lot of experience working in different sections of the university and is still energetic to perform well in his duties.
