RE: PAYMENT OF TUITION FEES

As per University Policy, students are required to pay at least 50% of the semester fees in order to register the semester course units. This is to bring to the attention of all students that the Higher Education Loans Board (HELB) started releasing upkeep money for all students in Kenyan Universities and TVET institutions as from 31st January, 2025.

This is therefore to remind all students that the deadline for unit registration is **28th February, 2025**. In this regard:

- i. All **3rd and 4th year students** are required to **pay at least 50% of the fees** as stipulated in their fee structures.
- ii. All **1st and 2nd year students** under the Variable Funding Model, are required to **pay at least 50% of their respective household contributions**.

Kindly comply, in order to continue enjoying uninterrupted University services.
