STUDENT’S BOND OF GOOD CONDUCT

Kindly ensure that you have read the regulations in the Student Handbook that is available at <http://www.laikipia.ac.ke/admissions/>. You are required to sign two copies of this document; one copy should be returned to the Registrar (Academic Affairs) and the second copy to the Dean of Students on the Registration Day.

I understand:

1. That the Student Disciplinary Process at Laikipia University is not negotiable and will, therefore, not be sympathetic to students who may be called upon for disciplinary action or interfere with the due process of disciplining students.
2. That rules and regulations governing conduct and discipline are not designed to prohibit interaction and other activities by students but instead to regulate and guide so that the interaction and activities are carried out in a manner that is socially and morally acceptable and facilitative of an environment in which the University’s academic endeavours can thrive.
3. That I undertake to be of good behaviour as stipulated in the said rules and regulations, and failure on my part to fulfil this requirement will result in the University taking any action it deems necessary against me.
4. That if disciplinary action is taken against me, the University will communicate the same to my parents, guardians and sponsors including University Fund and HELB who will be at liberty to consequently withdraw the support that they accord me.
